Subject: [EXTERNAL SENDER] 380 Tunxis Rd

Hey Todd,

I hereby request that the Plan and Zoning Commission / the Inland Wetlands Watercourse Agency, keep open and immediately continue my subdivision and wetlands applications to the regularly scheduled meeting in June. The purpose of the request is to provide additional time to address staff comments. In doing so, I also consent to an extension of time pursuant to Conn. Gen. Stat. § 8-7d to keep the hearings open.

Thank you,

Jeff Webster
